

facials

Redeem your facial glow. Come in and let our team cleanse, correct, and comfort your skin with an authentic European treatment. Our facials blend old world technique with breakthrough product technology to provide high end results that last. Experience a completely personalized approach with every visit as our skin experts address what you need when you need it.

**Includes preparatory skin analysis and recommended techniques to care for your skin at home. LePA and Čišćenje treatments include optional extractions*

LePA

Draws on classical European techniques to breathe health and vitality back into your skin. Perfect combination of results and relaxation. 

75-90 min: \$110

ČIŠĆENJE

Permeates the surface to resolve problematic or congested areas. Delivers dramatic improvements.

45-60 min: \$85

SPROSTITEV

Awakens dull or dehydrated skin through intense revitalization. Also ideal for a quick uplift.

45-60 min: \$85

HITRA

Perks up tired skin through gentle revival techniques. Great way to upkeep healthy skin.

30-45 min: \$65

facial
Add Ons

Refine your experience further with any of these luxurious and effective facial complements.

RDT LIFT: *Rejuvenating RDT technology stimulates circulation and diminishes fine lines for a non-invasive and natural face lift: \$35.*

DELUXE MASK: *Select green tea, grape seed, or natural collagen to moisturize and restore elasticity naturally: \$35.*

WINE THERAPY: *Champagne grape extract encourages regeneration and provides lasting protection from the effects of ageing: \$35.*

AROMATHERAPY: *Handpick from eighteen essential plant oils such as basil, eucalyptus, or bergamot concentrate to be infused into your skin through rhythmic massage. Each essence and aroma has its own unique healing properties: \$30.*

AHA FRUIT ENZYME PEEL: *All natural peel reduces small wrinkles, pigmentation, and acne: \$45 (also available as stand-alone facial for \$70).*

ULTRASOUND: *Exfoliates and stimulates collagen and elastin production through acoustic vibration technology. Ideal treatment for all skin types: \$35.*

ULTRASONIC: *Breakthrough technology that penetrates lower layers of skin and enhances the delivery of serums and natural extracts to the cells: \$30.*

AMPULE: *Elixirs of highly concentrated serums that are engineered for optimum absorption by skin cells. Provides immediate results: \$30.*
